GENERAL INFORMATION

The eCornerstone Reference Manual has been updated with all changes and additions outlined in this document.

SYSTEM CHANGES AND ENHANCEMENTS

Case List

The Case List page has been modified to show only active enrollments. Previously, the list may have shown enrollments that have been terminated.

Generic Reminder

A new feature has been added to the Generic Reminder page to allow users to delete a generic reminder. A "delete" link appears in the "Message Type" column (under the To Do List section of the Home Page), and clicking on this link will delete the reminder.
